I wish you bluebirds in the spring
To give your heart a song to sing
And then a kiss, but more than this
I wish you love
And in July a lemonade
To cool you in some leafy glade
I wish you health
And more than wealth
I wish you love
My breaking heart and I agree
That you and I could never be
So with my best
My very best
I set you free
I wish you shelter from the storm
A cozy fire to keep you warm
But most of all when snowflakes fall
I wish you love
My breaking heart and I agree
That you and I could never be
So with my best

My very best

I set you free

I wish you shelter from the storm

A cozy fire to keep you warm

But most of all when snowflakes fall

I wish you love

But most of all when snowflakes fall

I wish you love.
