Would you please meet me by the water, baby

We'll have a really good time

Would you please meet me by the water, baby

'Cause I can't get you off of my mind

I've been thinking everyday about you

Don't fit anywhere into my life, but that's okay

'Cause I think I might be right for you

And because of that, I'm not scared at all

And everyone says I'm crazy

And everyone says I'm a fool

Would you meet me by the water tonight

'Cause I'm ready to break all the rules

Please don't leave me standing

With my heart in my hand

I can't last here

I'm breaking down,

And no one understands why I got here

But I knew from the very first moment

That I met you

You'd be the one

Would you meet me by the water tonight

Would you please fall asleep

Holding my hand

'Cause I've got everything in store for you, baby

If you'll be my man
