If you would only let me,
I could show you how to love.
Take our time, let all it go.
If you'd would only let me,
I could show you how to cry.
In your darkest hour,
I would lead you through the fire.

But you won't let me.
You won't let me.
I don't want to say goodbye,
I just want to give it one more try.
And I'd do anything.
Yes, I'd do anything.
If you'd only let me.

With your hand in mine,
I would show you how to laugh.
Nothing heavy, nothing serious.
Just forget about all that.
You've been stepping back,
I want to be your friend.
You tear down the walls that surround you.
And build you back up again.

But you won't let me.
No, you won't let me.
I don't want to say goodbye,
I just want to give it one more try.
And I'd do anything.
Yes, I'd do anything.

So tonight, stay with me.
I know I could change your mind.

But you won't let me.
You won't let me.
No, I don't want to say goodbye.
I just want to give it one more try.
But you won't let me.
No, you won't let me.

I don't want to say goodbye,
I just want to give it one more try.
But you won't let me.
No you won't let me.
I'd do anything for you.
I'd do anything for you.

But you won't let me.
No, you won't let me.

You won't let me.
