You're running out of space  
I'm running out of things to wear twice  
But some things I can see  
I like the way you do your hair nice  
And what else do I know?  
Everybody needs a thrill  
And you are that for me  
I put your picture on my windowsill

And if you think that you can love me for nothing  
Well maybe we can be something for good  
And if you wanna be somebody's something  
Then I'm leaving today  
If you're going my way

There's nothing on my plate  
They say I've got some shoes to fill  
So I think I'll take a walk  
Somewhere I can pay my bills  
And you're free to come along  
If you've got some time to kill

And if you think that you can love me for nothing  
Well maybe we can be something for good  
And if you wanna be somebody's something  
Then I'm leaving today  
If you're going my way

And now that we've come this far  
What would you say?  
Do you know what you're looking for  
When you're looking my way? hey hey hey  
Do you think that you could love me for nothing?  
Well maybe we can be something for good  
And if you wanna be somebody's something  
I could make it okay  
But I'm leaving today  
If you're going my way
