When are you leaving?  
Where will you go?  
Who will be waiting for you there when you get home?

What is the distance between your heart?  
And where you wish that you were headed, is it far?  
Maybe our madness is the only thing we have  
Where you go with your machete in your hand?

I'm counting slowly  
Barely breaking even  
And I'm inclined to be your friend  
I'm inclined to meet ya

We all need something  
What do you need?  
What are you building with your possibilities?

Put up your passion man  
Put down your fist  
Nobody warns you that your life can twist like this

We tow the line  
we break the backs of our hands  
And I'll build you a castle if you bring me some sand

I'm counting slowly  
Barely breaking even  
And I'm inclined to be your friend  
I'm inclined to meet you  
Nobody ever gets to know from keeping secrets  
If you go the road alone  
I bet it's gonna beat you

Toe the line  
Toe the line  
Toe the line  
Toe the line  
Toe the line  
Toe the line

I'm counting slowly  
Barely breaking even  
And I'm inclined to be your friend  
I'm inclined to meet you  
Nobody ever gets to know from keeping secrets  
If you go the road alone  
I bet it's gonna beat you

Toe the line  
Toe the line  
Toe the line  
Toe the line  
Toe the line  
Toe the line  
Toe the line  
Toe the line
