

Alternate Routes, The "Who Cares?"

Visit "[Who Cares?](#)" on MotoLyrics.com

I'm amazed at the state of the misery
seven grades and they paid for your sympathy
I watched the end of a friend and a family
it's a dream it's a trick it's a tragedy

and the story goes
just like a ulogy
I put my rage in a page
and it speaks to me
something's changed and the game doesn't matter
now
it doesn't matter now

all the days before you die
this time I see and now I know
don't ask when and don't ask why
I can not tell the truth before I go

He said
i'm gonna lose it
I think i'll break everything and start again
it is my life I see no end

So take it out on the streets and the avenues
play it out like you always wanted to
turn it up, turn it out, can't you let it go?
leave your keys leave a smoke on the stereo

all the days before you die
this time I see and now I know
don't ask when and don't ask why
I can not tell the truth before I go

He said
i'm gonna lose it
I think i'll break everything and start again
it is my life I see no end

I see my life in clips and phrases
pictures show in written pages
where does the widow go from here?

why can't I steal a day before i'm gone?

He said
i'm gonna lose it
I think i'll break everything and start again
it is my life I see no end

He said
i'm gonna lose it
I think i'll break everything and start again
it is my life I see no end
