Black boys are delicious
Chocolate flavored love
Licorice lips like candy
Keep my cocoa handy
I have such a sweet tooth
When it comes to love

Once I tried a diet
Of quiet, rest, no sweets
But I went nearly crazy
And I went clearly crazy
Because I really craved for
My chocolate flavored treats

Black boys are nutritious
Black boys fill me up
Black boys are so damn yummy
They satisfy my tummy
I have such a sweet tooth
When it comes to love
Black black black black black black black
Black boys
