Daniela:

You tell me that you'll leave  
You can't understand  
That it's hard to live without you  
I wish I could stop you  
Because I love you  
And my heart is crying

Liviu:

You tell me that you'll leave  
You can't understand  
That it's hard to live without you  
I wish I could stop you  
Because I love you  
And my heart is crying

Refren:

Daniela:

Give me a call  
Every once in a while  
Or write me a message  
At least one line  
If you forgot that I love you  
It would be a shame  
And how much I cried  
When you left

Liviu:

Give me a call  
Every once in a while  
Or write me a message  
At least one line  
If you forgot that I love you  
It would be a shame  
And how much I cried

When you left

Daniela:

You're leaving, but you don't tell me why  
And my soul is lost and empty  
I'm wondering if I was wrong  
If I loved you too much  
Why you're leaving, I have no idea

Liviu:

You're leaving, but you don't tell me why  
And my soul is lost and empty  
I'm wondering if I was wrong  
If I loved you too much  
Why you're leaving, I have no idea

Refren: (x4)

Sa-mi dai un telefon  
Din cand in cand  
Sau scrie-mi un mesaj,  
Macar un rand  
Sa uiti ca te-am iubit,  
Ar fi pacat  
Si cat am plans  
Atunci cand ai plecat.
