Up in the sky I still wonder why  
You saved my life  
I've never given up on me  
Tell me how you learned to shine so bright  
Beautiful girl  
Coloring all the darkness in my world  
Show yourself to me  
Cuz I believe yah I believe  
Tell me how you learned to shine so bright  
Can you see you in my eyes  
Our lifetime is a wide open sky

You are my star you are my star  
You are my star you are my star  
Show yourself to me  
Cuz I believe in the way it's meant to be  
Tell me how you learned to shine so bright  
Can you see you in my eyes  
Our lifetime is a wide open sky  
You are my star You are my star  
You are my star you are my star
