[Chorus:]

Im a (whoa-man) I can be what I wanna be
Im a (whoa-man) I can be whatever everything you
need
Im a (whoa-man) And no matter what it takes
Gonna keep my heels on higher
Better stay stronger, wiser higher, winner!

Finally now I can do my get away
Too tired of complication need to clear the way
Incase you don't know there's soo many things I wanna
say
Let me reset!..I'm bout to face another day

Take a look around (It's alright)
If they bring you down (Ohh, It's alright!)
Your unstoppable, unbreakable, invincible,
Your beautiful more than a miracle!

[Chorus:]

Im a (whoa-man) I can be what I wanna be
Im a (whoa-man) I can be whatever everything you
need
Im a (whoa-man) And no matter what it takes
Gonna keep my heels on higher
Better stay stronger, wiser higher, winner!
(I'm a whoa-man! woman! I'm a woman!)

This time around ain't nobody stoppin' me
I walk and do my talk and doi'n it right so constantly
Incase you don't know this is what i wanna say
Betta Stay Up! (Up! Up! Up! Up!)
Dont'cha stop keep doin' yo' thang.

Take a look around (It's alright)
If they bring you down (It's alright!)
Stand up when you fall
Just take the ball
Incredible, this is the goal
Time for us to take control!

[Chorus:]

Im a (whoa-man) I can be what I wanna be
Im a (whoa-man) I can be whatever everything you
need

Im a (whoa-man) And no matter what it takes
Gonna keep my heels on higher
Better stay stronger, wiser higher, winner!
(I'm a whoa-man! woman! I'm a woman!)

I will remain stronger
I'm here to conquer
All of my fears
Now is the time to let it go
