how are you feeling
what are your reasons
do you feel love or a lack there of...oh

love is a bond without reason
a cry for connection
a light in your eyes
love is a reason for living
a reason for trying
a reason for life

forgive the feeling
get all of your reasons
life is love or the lack there of...oh

love is a bond without reason
a cry for connection
a light in your eyes
love is a reason for living
a reason for trying
a reason to cry

love is a bond without reason
a cry for connection
a light in your eyes
love is a reason for living
a reason for dying

Love is everything
Love is everything
Love is everything

How are you feeling (Love is everything)
What are your reasons (Love is everything)
how are you feeling (Love is everything)
Love is everything!

Love is everything
Love is everything!
oh...love you move me
oh...love you move me!

love...move me
love...move me
Love is everything!
