Verse 1

Hey Baby
There's something I got to tell you
It ain easy, but it's true
Sit on down, boy
Lemme break the news
I am no longer in love with you
And that is why I

Chorus

I gotta go
Can't hold on no more
Tried everything I know but
I got to go babay
I gotta go
I tried it out, cried it out
We talked it out, we fought it out
And I thought it out
Now there's nothing left to do but
Walk on, walk on, walk on, walk on out

Verse 2

Honey
I'm just about to roll up
It ain easy, but it's real
It's breaking my heart, boy
To break the news
What we got ain been nowhere in a very long while
And in my heart I cry much more than I smile
I

Chorus

I Gotta go
Can't hold on no more
Tried everything I know now
I got to go, oh oh yeah
I gotta go

I tried it out, cried it out
We talked it out, we fought it out
And I thought it out
Now there's nothing left to do but
Walk on, walk on, walk on, walk on out

Bridge

How do I tell you I don't love you
Not in the way that I used to
Don't take it personal
You're still beautiful
But I have to choose myself
I have to choose my growth and my health
My first responsibility is to me!
And that's why

Chorus

I gotta go, babay
Can't hold on no more
Tried everything I know but
I got to go, yeah
I gotta go
I tried it out, cried it out
We talked it out, we fought it out
And I thought it out
Now there's nothing left to do but
Walk on, walk on, walk on, walk on
