He boggles me when he looks at me
I no longer see what is right before my eyes
Something happens and I don't know why
I begin to fallâ€¦!

She looks at me and alters reality
There's nothing more to see but what is right before my
eyes
Something happens and I don't know why
I begin to fallâ€¦!

Isn't it funny how we see the same thing in each other?
Feels like we're a mirror for one another

I believe there's a doorway to me, inside you
I perceive a sure way to love, honest and true
When I look in your eyes see, familiar surprise see
Reflections of my heart

I feel somehow, somewhere, in some way we've always
been connected
I sense that I know what I don't know and it's just what
I've always expected
There's a strange familiarity about you and meâ€¦!
We seem to flow effortlessly and begin to fallâ€¦!

I believe there's a doorway to me, inside you
I perceive a sure way to love, honest and true
When I look in your eyes see, familiar surprise see
Reflections of my heart
Reflections of my heart
Reflections of my heart
