Lemme tell a story 'bout an old man and woman I know
They were in the desert so dry, diggin' ditches, deep
Waitin' for the rain to flow
Well, the people came from miles around
Wantin' to know why they did what they did and how
"Faith is the key" he said, "to what can't yet be seen"
Then he looked at the sky, winked at his wife and said,
"That's why baby, baby, baby..."

I'm so satisfied
I know that this joy can't be denied!
Make me sing in the morning
Make me smile at night
Laugh for no particular reason
Just 'cause everything's alright!
I'm so satisfied

No doubt about it, there's a higher power working in
Here!
There's a way to anything, anytime, anyway and
anywhere
But it won't work if there's fear
If we put our trust in what we feel
Instead of what we think in our heads, hmm
Then we'll remember to keep it real
So the soul will be nourished and the spirit is fed!
Baby, baby, baby, baby

I'm so satisfied
I know that this joy can't be denied!
Make me sing in the morning
Make me smile at night
Laugh for no particular reason
Just 'cause everything's alright!
I'm so satisfied

Life is only what we allow it to be
There are no accidents and no mistakes
It really just depends on the choices we choose to
make
Everything is everything anyway!

I'm so satisfied
I know that this joy can't be denied!
Make me sing in the morning
Make me smile at night
Laugh for no particular reason
Just 'cause everything's alright!
I'm so satisfied

In a world of choice
'Tween the forces
I'd rather be with light, satisfied!

In a world of choice
'Tween the forces
I'd rather be with love, satisfied!
