You got that certain thang that can't quite be
Described
Copied all over the world, it can't be denied
And when you walk into a room the brothers be slippin'
All up out they swerve...
Incredible woman, you're still my girl!

Sista
You know you got a friend in me
Sista
We're sharing the power of femininity!

You brought my spirits up when everything was low
You helped me to heal my heart and continue to grow
And now I'm feeling so much better that I can do
Anything I choose
With you in my corner I just can't lose!

Sista
You know you got a friend in me
Sista
I'm giving you props, respect and dignity

You don't know what you mean to me
You're the light of my life
Strength in my fight
The stand in my feet
And Ohhh, sho' do like the way you roll
Auntie, Mama, Grandmom, Daughter...

Sista
I'm giving you my heart and soul
Sista
Because it was you who helped to make me whole
again

Sista
You know you got a friend in me
Sista
We're sharing the power of femininity
