I can only blame myself  
To think that someone else could ever take your place  
I must have been out of my head to turn away  
I said I needed time and space  
I thought the grass was greener on the other side  
You never miss your water 'til your well runs dry

I wrote you letters, you sent them back  
I'm gonna keep on trying, in my heart I still believe  
I'll take my chances, 'cause I can wait  
I promise that's what I'll do, 'til you come back to me

Tried to convince myself  
The love we shared was over and a thing of the past  
We'd grown apart and lost the feeling that we once  
shared  
Just didn't realize  
How much I hurt you when I chose to say goodbye  
I had it all but I just wasn't satisfied

Chorus

'Cause there's no one in this world  
Who's gonna love you like I do  
I'll keep on wishing 'til you come back  
I won't give up 'til you're right here with me

Chorus
