Am crezut in tine,
Si ai facut ce-ai vrut din mine,
Dar de maine totul va fi uitat... (x2)
Am crezut in tine,
Si ai facut ce-ai vrut din mine,
Seara asta am sa imi fac de cap..

Ref:

And I break the glass
And I'm drowning my bitterness
And I break the glass
And I'm drowning my bitterness
I break full glasses
May tomorrow be better

2.

I want to break glasses big time
To get drunk so badly so I can't stand on my feet
Because I enjoy life and as long as I live may it not be a day without me partying
Everybody up, with glasses in their hands
Let's have fun all night long together
To forget about sorrow, about our troubles and to break glasses every night

Ref:

And I break the glass
And I'm drowning my bitterness
I break full glasses
May tomorrow be better(May it be better for all of us)
And I break the glass
And I'm drowning my bitterness
I break full glasses
May tomorrow be better

3.

I want to forget about everything

I put my trouble(sorrow) away
Only the friends should remain at the table
I want to forget about everything
I put the trouble/sorrow away
Let's now break the glasses from our hands (the glasses we hold in our hands)
