If you cant shake my brother  
If you cant shake my sister  
if you can't shake my brother  
come on and shake away with me

And I'll be your tamborine man  
Oooh shake me in the palm of your hand  
Shake me your Tamborine man  
Shake me Shake me baby like no other can

I need you honey almost all the time  
when I feel blue (ba ba ba ba ba ba ba ba)  
I think about you almost all the time  
When I feel blue

Uh HUhhhhh

If you cant shake my brother  
If you cant shake my sister  
if you can't shake my brother  
come on and shake away with me

And i'll be your tamborine man  
Come on and shake me in thepalm of your hand  
And You'll be my Tamborine girl  
Shake Shake me baby till the end of the world

I need you honey almost all the time  
when I feel blue ( ba ba ba ba ba ba ba ba)  
I need you honey almost all the time  
when I feel blue

say Pre-pre-preacher man  
Knock-Knockon your door  
why don't you let me in?,  
what is my sin?

say Pre-pre-preacher man  
Knock-Knock on your door  
why don't you let me in?,  
what is my sin?

I think about you almost all the time  
when I feel blue  
But you've been cryin', my baby ( ba ba ba ba ba ba ba  
ba)  
you hold my hand and you make me cry  
and tell me maybe, baby, baby, baby.
