Don't look in the mirror
Look inside your heart
You'll see a little clearer
Who you really are.
Just like a butterfly
About to spread its wings,
Open up your arms
And hold on tight to me.

I think you're beautiful, beautiful
I think you're one of a kind
And I'm thankful for everything, everything
You make me feel inside:
Beautiful.

You're a ray of sunlight
Shining down on me
From the middle of the blue sky
As far as I can see
Like a song I can't stop singing
Lilting lullaby
La la la la la la
I can't believe my eyes
I think you're beautiful, beautiful
I think you're one of a kind
And I'm thankful for everything, everything
You make me feel inside:
Beautiful.
Beautiful
I think you're beautiful
You're all that I need
And I'm thankful for everything
You see inside of me
'Cause you think I'm beautiful, beautiful
You think I'm one of a kind
And I'm thankful for everything, everything
You make me feel inside;
Beautiful
