I want a brand new toy
Cos this one is broken
I want a brand new toy
Cos this one is choking me
Zipper catches skin
Elevator goes down
You are my favourite sin
In your river i drown
Hey girl, whatcha doing tonight?
Should i come over and break your heart?
Hey girl, whatcha doing tonight?
Should i come over and break your...?
All over this town
My reputation has failed
Well if you carry a cross now baby
You know you're gonna get nailed
You stick a knife in my heart
Every time i feel your sweet caress
Im on my knees to the blessed virgin
Every time you lift up your dress
Hey girl, whatcha doing tonight?
Should i come over and break your heart?
Hey girl, whatcha doing tonight?
Should i come over and break your...?
I want a brand new toy
I want a brand new toy
I want a brand new toy
I want a brand new toy
Zipper catches skin
Elevator goes down
You are my favourite sin
In your river i drown
Hey girl, whatcha doing tonight?
Should i come over and break your heart?
Hey girl, whatcha doing tonight?
Should i come over and break your heart?
With my brand new toy
I want a brand new toy
You be my brand new toy
Ill be your brand new toy
