(feat. Band Aid 20)

It's Christmas time, and there's no need to be afraid  
At Christmas time, we let in light and we banish shade  
And in our world of plenty, we can spread a smile of joy  
Throw your arms around the world at Christmas time

But say a prayer and pray for the other ones  
At Christmas time, it's hard, but when your having fun  
There's a world outside your window  
And it's a world of dread and fear  
And the only water flowing is the bitter sting of tears  
And the Christmas bells that ring there  
Are the clanging chimes of doom  
Well tonight thank God it's them instead of you

And there won't be snow in Africa this Christmas time  
The greatest gift they'll get this year is life  
Where nothing ever grows, no rain or rivers flow  
Do they know it's Christmas time at all

Here's to you, raise your glass for everyone  
Here's to them underneath that burning sun  
Do they know it's Christmas time at all

Feed the world, let them know it's Christmas time  
Feed the world, let them know it's Christmas time  
Feed the world, let them know it's Christmas time  
Feed the world, let them know it's Christmas time

(Repeat)
