It's so sad looking at you looking at me  
With all that hate in your eyes  
With no reason, no reason at all  
But I have a plan  
To make everything alright yeah  
Each night I pray for the bomb  
Each night I pray for the bomb  
So tell me I'm wrong  
But what can I hope for  
In a world full of spite?  
It's alright, I'll make it alright  
I have a plan to make everything alright yeah  
Each night I pray for the bomb  
Each night I pray....  
...for your love to stop running away  
And your heart to finally open  
Each night I pray for the bomb  
Each night I pray for the bomb  
Each night I pray for the bomb  
Each night I pray for the bomb
