It'll be okay with the next one
I always end on a leash up having no fun
Yeah, I'm always stuck
Feel like getting up now
Make it understood, crazy
And it means getting down

I'm so tired and bored of the Mr. Nice Guy
Treats me well but somehow he ain't arrived

So send me in the fools
Throw away the heros
I can't keep on searchin' for that guy
Send me in the fools
I'm startin' up the party
I need wakin' up
Wanna feel alive

What I need is something
That's not against the law
You're just fillin' space and
I'm so sure, I need to believe in
Somethin' more for me
Love is a feeling
The sweetest fantasy

I just need to chill out and have a good time,
Looking forward yet never looking behind

So send me in the fools
Throw away the heros
I can't keep on searchin' for that guy
Send me in the fools
I'm startin' up the party
I need wakin' up
Wanna feel alive

Get me off this one-way road I'm goin' down
All I feel like now is
Havin' some fun

So send me in the fools
Throw away the heros
I can't keep on searchin' for that guy
Send me in the fools
I'm startin' up the party
I need wakin' up
Wanna feel alive

So send me in the fools
Throw away the heros
I can't keep on searchin' for that guy
Send me in the fools
I'm startin' up the party
I need wakin' up
Wanna feel alive

So send me in the fools
Throw away the heros
I can't keep on searchin' for that guy
Send me in the fools
I'm startin' up the party
I need wakin' up
Wanna feel alive
