Maybe if I could I would shoot you up inside my vein
Feel you rushing round inside me
And maybe if I could I would let you loose inside my
mind
You take me some place that they will never ever find
me
If you see my heroine tell her that she made me feel
bad
Cos every time Im with her I feel so small
My heroine, tell her that she made me so mad
Cos I need her so bad
When she's not there
Maybe if I could I would get rid of all of your tears
Rip up all of your pain
And maybe if I could you would tell me how I feel inside
Kiss you in the pouring rain
If you see my heroine tell her that she made me feel
bad
Cos every time Im with her I feel so small
My heroine, tell her that she makes me so mad
Cos I need her so bad
When she's not there
When she's not there
