Take a deep breath  
Let the tears fall down  
What I should've said  
It doesn't matter now  
The moment is gone  
Yeah, I can't get it back  
Unless I turn back the clock  
I know I can't do that  
It's over and done  
There's no rewinding'  
I've got to put it all behind me

I'm trying'  
To see the sun rising up  
Coming up over the mountain  
It's shining' it's blinding  
On the other side of your goodbye  
So I can't look back, I can't look back

I keep my eyes on the road  
Hold my heart in my hands  
Got a long way to go  
Before I ever understand  
I thought you knew me so well  
Knew you were my shining star  
I guess I never said how I felt  
I never meant to break your heart.

I'm trying'  
To see the sun rising' up  
Coming up over the mountain  
It's shining' it's blinding  
On the other side of your goodbye  
So I can't look back, I can't look back

Over my shoulder now  
Knowing I can't change anything  
Wishing I could somehow

Take a deep breath  
Let the tears fall down  
What I should've said

It doesn't matter now.

I'm trying'  
To see the sun rising' up  
Coming up over the mountain  
It's shining' it's blinding  
On the other side of your goodbye

Yeah I'm trying  
I'm trying'  
To see the sun rising' up  
Coming up over the mountain  
It's shining' it's blinding  
On the other side of your goodbye  
So I can't look back, I can't look back

No, I can't look back
