One, two, three, four!

I said no, no never  
We don't go together  
Oh, I really couldn't take anymore  
Now it's two weeks later  
I feel such a traitor  
Oh, I let you in my back door

You're the one who's creeping  
Rough love's so deceiving  
I said never again but here we are  
A pure, pure sweetness  
You're my only weakness  
I said never again but here we are

Now, I don't rush in  
I bite my lip and let you know  
I really like the game you play  
I'd be better off without you  
But I can't live without you  
No, am I ever gonna break away

You're the one who's creeping  
Rough love's so deceiving  
I said never again but here we are  
A pure, pure sweetness  
You're my only weakness  
I said never again but here we are

Yeah  
I tried to run but I don't get too far

'Cause I can't let go  
I can't take no more  
Boy, I want you so  
Oh-Oo-Oh

No, I can't let go  
I can't take no more  
And I want you so

Oh-Oo-Oh

One, two, three, four!

You're the one who's creeping  
Rough love's so deceiving (so deceiving)  
I said never again but here we are (here we are)  
A pure, pure sweetness  
You're my only weakness  
I said never again but here we are

You're the one who's creeping  
Rough love's so deceiving  
I said never again but here we are  
A pure, pure sweetness  
You're my only weakness  
I said never again but here we are

I said never again, I said never again  
I said never again but here we are  
Never again, never again  
I told you never to play your new guitar
