I've been giving you the green light, all night
What's the deal with the shy boy attitude?
You've been coming on so strong, now you gonna hold
back and play it cool
Boy if you're trying to read my mind
Read my lips, now's the time

If you really want to,
Baby I'm in
Stop hintin' and haulin'
Give me that first kiss
Fallin' in love ain't hard to do
If you really want to

It's all right if you're a little bit nervous
I admit I've got butterflies
Go ahead and come a little bit closer
I ain't gonna bite
Boy you're knocking on an open door
What are you waitin' for?

If you really want to,
Baby I'm in
Stop hintin' and haulin'
Give me that first kiss
Fallin' in love ain't hard to do
If you really want to

I ain't gonna twist your arm
Either you do or you don't

If you really want to
Baby I'm in
Stop hintin' and haulin'
Gimme that first kiss
If you really want to
Baby I'm in
Stop hintin' and haulin'
Gimme that first kiss
Fallin in love ain't hard to do
If you really want to.
