Here you again cryin' wolf talkin' trash  
Straddlin' the fence always lookin' for the greener  
grass  
Never satisfied

If you really want to go ahead and walk out  
Don't let the front door hit you where it counts  
Baby, bye, bye

If you're gonna leave me baby  
If you're gonna go, stay gone  
If you're gonna leave me baby  
You better leave me alone

Pickin' up the welcome mat, flippin' off the porch light  
Turnin' off the ringer, closin' up all the blinds  
Changin' the locks on the door

So don't come a knockin' when you start regrettin'  
'Cause your sweet talkin' ain't welcome here no more  
This time you better be sure

If you're gonna leave me baby  
If you're gonna go, stay gone  
If you're gonna leave me baby  
You better leave me alone, yeah

Don't call my sister  
Don't call my mama  
Don't call my best friend  
Even if you wanna  
'Cause they're done with you to

If you're gonna leave me baby  
If you're gonna go, stay gone  
If you're gonna leave me baby  
You better leave me  
You better leave me alone

You better leave me alone  
You better leave me alone  
Leave me alone
