Everybody knows that girls are stupid
Everybody knows that girls are evil
Everybody knows that girls are the devil
Falling in love with boys who make you wanna cry
Falling in love with boys who make you wanna die
By your own hand
Everybody knows that boys are stupid
Everybody knows that boys are witches
Everybody knows that boys are bitches
Falling in love with girls who make you wanna cry
Falling in love with girls who make you wanna die
By your own hand
I try to tell you but you don't understand (uh-huh)
You've got my entire life in your hands (oh yeah)
I try to tell you but you just won't stop (gee whoa)
Why don't you just
Fuck off
Falling in love with boys who make you wanna cry
Falling in love with girls who tell you, tell you lies
Falling in love with boys who make you wanna cry
Falling in love with girls who make you wanna die
I try to tell you but you don't understand (uh-huh)
You've got my entire life in your hands (gee whoa)
I try to tell you but you just won't stop (oh yeah)
Why don't you just
Fuck off
