I used to have a heart
I used to have a soul
I used to have an identity
'Till you took control
Maybe my mind was twisted
Maybe my backbone snapped
For the twenty five days of
Hell that i sat in your lap
[pre chorus]
I don't care for your reasons
You left me bleeding on the dance-floor
[chorus]
Now I'm in love with a monster of the new wave
This is hotter than hell
I must be going blind
And you've got to choose
Are you jsut a parasite?
Life is cruel enough
Without cruel words
And everything you say
Just leaves me dead
