You've got lips of cherry chrome
I got a heart that's made of stone
I've been thinking
You should leave me
My sweet rose
My sweet rose
You don't need me as
Much as you need your soul
We are the ones that fall apart
Love can save your life
But it just breaks my heart
Though I've tried I
Can't destroy what I am
My sweet rose
My sweet rose
You don't need me as
Much as you need you soul
You've got lips of cherry chrome
I've got a heart that's made of stone
My sweet rose
My sweet rose
My sweet rose
My sweet rose
You don't need me as
Much as you need your soul
