You didn't have to be so cruel  
You don't have to treat me like a fool, yeah yeah, yeah  
Twisted by this bitter cross I bare,  
My heart is breaking and you just don't care  
All I got to show for love are scars and bruises.  
Your love to me is permanent damage  
Your love to me is permanent damage  
Love is such a terrible curse  
I'm damned to walk this poisoned earth, Yeah yeah,  
yeah  
And every night that you're not there  
I can feel every rip and tear  
As I'm left to live as human wreckage.  
Your love to me is permanent damage  
Your love to me is permanent damage  
Your love to me is permanent damage  
Your love to me is permanent damage  
Your love to me is permanent damage  
Your love to me is permanent damage  
I said, Your love to me is permanent damage  
Your love to me is permanent damage  
I said, Your love to me is permanent damage  
Your love to me is permanent damage
