Remember the song you wrote for me
It was stuck in my head and drove me crazy
It used to be you got to me
I'm getting over it baby
Throw your pictures in the trash
Leave your memory in the past
That's not where I'm at
And I ain't going back

No more sleepless midnights
No more thinking I might
Get in the car
Drive my broken heart
Down your street and cry
I'm so much stronger
Baby I'm no longer
Holdin' on like before
I'm not singing sad songs anymore

Gotta get up, get over myself
Time to stop the tears from fallin'
You're gone, you left
And it's been hell
I'm tired of cryin'
I've finally given it up
But I've ended up missin' your love
Oh yeah, losin' you sucks
But enough is enough
No more sleepless midnights
No more thinking I might
Get in the car
Drive my broken heart
Down your street and cry
I'm so much stronger
Baby I'm no longer
Holdin' on like before
I'm not singing sad songs anymore

Turn the radio on
Find me a faster song
One about movin' on
Yeah, I'm gonna sing along

No more sleepless midnights
No more thinking I might
Get in the car
Drive my broken heart
Down your street and cry
I'm so much stronger
Baby I'm no longer
Holdin' on like before
I'm not singing sad songs anymore
