Written by: Lucie Silvas

I'm alright.

Tonight, let's all get down on the floor
I'm feeling alright
I've got the need to explore
You can leave your inhibitions
Make no conditions
Leave them at the door
Nobody's uptight
It's clear what we're waiting for

Take a deep breath
Let me stimulate
I don't ever feel the need to imitate nobody
The way you move your body be turning me on
We're gonna party all night long (oh-oh)

Spin that bottle
Play my game
Come on over here
'Cos I called your name
Move your body close
Baby, it's your turn
Spin that bottle
Don't be shy
Everybody here's got a one-track mind
If you don't know s'about time you learned

Yeah.

Shivers are runnin' right down my spin
You give me pleasure
There's no words to define
There's no need for confusion
Here's my solution
Let's do what we like
I've got the patience
Honey, if you've got the time

There is such thing as coincidence (coincidence)
I know it makes sense
You were meant for me
Spinning by the time it points to you
Here's what we gotta do

Spin that bottle
Play my game
Come on over here
'Cos I called your name
Move your body close (Hey)
Baby, it's your turn
Spin that bottle
Don't be shy
Everybody here's got a one track mind
If you don't know s'about time you learned

Yeah

The second you walked in the room, I
You were the one that I had to make mine
I'd been watching everything that you do
Really like just to get to know you
Don't want anybody else, now
Won't stop 'til I'm hearin' the sound
Of the bottle spinnin' right towards you
Come help me break all the rules

Yeah-e-yay-e-yay-e-yay!

Spin that bottle
Play my game
Come on over here
'Cos I called your name
Move your body close
Baby, it's your turn (hey)
Spin that bottle
Don't be shy
Everybody here's got a one track mind
If you don't know s'about time you learned

Yeah-hey

Spin that bottle
Play my game
Come on over here
'Cos I called your name
Move your body close
Baby, it's your turn (hey)
Spin that bottle
Don't be shy

Everybody here's got a one track mind
If you don't know s'about time you learned (hey)

Spin that bottle
Play my game (Ohhh)
Come on over here
'Cos I called your name (Hey)
Move your body close
Baby, it's your turn
Spin that bottle
Don't be shy
Everybody here's got a one track mind
If you don't know s'about time you learned

Ye-aahheyah.
