I'm looking at you looking at me
Wondering if I see what you're trying to hide
Your alibis are seeping through your skin
Tell me the truth, tell me good bye
Just don't tell me that you love me
Cuz that's a lie, that's a lie

Tell me I'm wrong
Tell me I'm crazy
Its my wild imagination
I'm making it up, its all in my head
Then baby tell me why you're saying your sorry
You never want to hurt me
When you can't even look me in the eye
That's a lie

I could believe watching you go
Oh its gonna hurt a little
I keep telling myself and telling my heart
You won't be easy to forget
I could forgive, maybe I'll try
But "losing you might kill me"
That's a lie

Tell me I'm wrong
Tell me I'm crazy
Its my wild imagination
I'm making it up
Its all in my head
Then baby tell me why you're saying your sorry
You never want to hurt me
When you can't even look me in the eye
That's a lie, that's a lie

Tell me I'm wrong
Tell me I'm crazy
Its my wild imagination
I'm making it up its all in my head
Then baby tell me why you're so sorry
You never wanted to hurt me
But you can't even look me in the eye

That's a lie ooooh
That's a lie
