I'm a player in the waiting room  
Two people on opposite sides  
I can see I've got work to do  
If I'm gonna make you mine

Hoping that you catch the stare  
Take a hug and follow my scent  
If only you could read my brain  
You would know I've got it bad

From the minute I saw you  
Something happened and I lost control  
Put me out of my misery  
And tell me the truth

How long will I be waiting  
Your game is so frustrating  
Don't leave me hanging, baby  
No, no, no, no, no, no  
How long before you cave in  
Surrender all your lovin'  
How long will I be waiting for you

Why'd you make it so hard for me  
Who the hell do you think you are  
You got me acting like a crazy woman  
When will you give into me

From the minute I saw you  
Something happened and I lost control  
Put me out of my misery  
And tell me the truth

How long will I be waiting  
Your game is so frustrating  
Don't leave me hanging, baby  
No, no, no, no, no, no  
How long before you cave in  
Surrender all your lovin'  
How long will I be waiting for you

Sitting by the telephone  
Walking your way  
Dressin' up for you  
Baby, make my day

From the minute I saw you  
Something happened and I lost control  
Put me out of my misery  
Tell me the truth

How long will I be waiting  
Your game is so frustrating  
Don't leave me hanging, baby  
No, no, no, no, no, no  
How long before you cave in  
Surrender all your lovin'  
How long will I be waiting for you

How long will I be waiting  
Your game is so frustrating  
Don't leave me hanging, baby  
No, no, no, no, no, no  
How long before you cave in  
Surrender all your lovin'  
How long will I be waiting for you

[Repeat chorus to fade]
