I'm a little apprehensive  
You say you can't see it  
You can feel it  
When you hold me in your arms  
I'm way too indecisive  
I can blow it in a moment  
Or I can let go of my doubt  
Turn it all around

I'm not afraid of giving my heart away  
Of lovin' a man  
I ain't a fan of playin it safe  
I wanna jump right in  
I wanna take a chance  
You've gotta understand  
I'm not afraid of fallin  
I'm just scared of where I'm gonna land

I've got few little bruises  
and some old scars on my heart  
Some are harder than others are to heal  
Since I met you baby I'm feelin better than ever  
Like I never hurt before  
I've never wanted anything more

I'm not afraid of giving my heart away  
Of lovin' a man  
I ain't a fan of playin it safe  
I wanna jump right in  
I wanna take a chance  
You've gotta understand  
I'm not afraid of fallin  
I'm just scared of where I'm gonna land

It's been a while since I've been  
Way out here on a limb  
But I'm lovin' every minute of you holdin' my hand  
I'm not afraid of giving my heart away  
Of lovin' a man  
I ain't a fan of playin it safe  
I wanna jump right in  
I wanna take a chance

You've gotta understand  
I'm not afraid of fallin  
I'm just scared of where I'm gonna land
