Bring a little laughter  
Shine a little light  
On anyone who's coming your way  
'Cause every morning after  
A never ending night  
Will bring another dish of the day

Johnny was a sailor  
Johnny was a queen  
He loved to play the double-cross game  
Little johnny sailer  
Barely seventeen  
Almost at the height of his fame  
Picured with his boyfriends in paris '99  
Butterflies from heaven for a while  
It's paradise forever  
Let's lay it on the line  
That's fine

So bring a little laughter  
Shine a little light  
On everything that's coming your way  
'Cause every morning after  
A never ending night  
Will bring another dish of the day

Tommy was darling  
Darling double screen  
Tommy was so glad to be gay  
Pretty tommy darling  
A hero in his teens  
Twenty-seven blowjobs a day  
He blew a few too many  
The camera never lies  
As some of you will surely understand  
He's twenty-nine forever  
Let's lay it on the line  
That's fine

So bring a little laughter  
Shine a little light

On anyone who's coming your way  
'Cause every morning after  
A never ending night  
Will bring another dish of the day

\*scatting\*

It's paradise forever  
Let's lay it on the line  
That's fine

So bring a little laughter  
Shine a little light  
On anyone who's coming your way  
'Cause every morning after  
A never ending night  
Will bring another dish of the day
