"Ride On"

I've been messing with my destiny
But as long as you're here with me
We will ride on
Baby ride on

There has been ever weather, more or less
Baby ride on
Now I'm bouncing back to happiness
And we ride on
Baby ride on

From the moment that you came my way
Every day is a better day
And it's all because of you
Baby ride on

Flowing freely like the Rio Grande,
Straight ahead to the promised land
We will ride on
Baby ride on

You give me cause just to smile again
You must be part of a masterplan

Feels like heaven number seven
Never more true

From the moment that you came my way
Every day is a better day
And it's all because of you
Baby ride on

You and I truly harmonise
You're the rainbow in my loving eyes
And we ride on
Baby ride on

From the moment that you came my way
Every day is a better day
And it's all because of you
Ride on

And we ride on
Baby ride on
Ride on
Baby ride on
And we ride on
Baby ride on
Baby ride on
