Ooh baby, is it a crime to love you  
Oh darling, can't stop thinking about you  
Hey baby, now tell me, is it crime to love you  
Oh darling, can't stop thinking about you

You're my medicine (heal me)  
But it's good for me (heal Me)  
My baby (heal Me)  
Will free me

Get up, get up, get up  
Let's make love tonight  
Wake up, wake up, wake up  
'Cause you do it right

Baby, come take control  
Just grab a hold

Sexual  
Sexual  
Sexual  
Baby  
Wake up, wake up, wake up  
Ssshhh

Hey baby  
You are the sole in my (sexual)  
Oh baby, my sexuality  
Oh darling, you set my spirit free  
Let's hold one to each other  
You're everything to me

Just grab a hold  
Hey baby, always on my mind  
Ooooh  
Oh baby  
You're my medicine  
I need you, you are my destiny  
But it's good for me  
And it's so good to me  
My baby
