Before you find out in town
A rumor's going round
It's not that I care that much
But this rumor's all about me

Somebody said they saw me cryin'
And they said I've broken down
Don't know why but they've been lying to you

'Cause I'm fine, movin' on, really happy as you can see
Someone else couldn't hold back their feelings
It wasn't me

It case you hear I'm not
I'm getting out a lot
Taking good care of myself now
You always said I should
So please don't think my heart is breaking
Like I was sad and all alone
It's just a fool that you've mistaken for me
'Cause I'm fine, movin' on, really happy as you can see
Someone else couldn't hold back their feelings
It wasn't me
It wasn't me

'Cause I'm fine, movin' on, really happy as you can see
Someone else couldn't hold back their feelings
It wasn't me
It wasn't me

Yeah, I'm fine, movin' on, really happy as I can be
Someone else may have said how they miss you
It wasn't me
(someone else)
It wasn't me
(someone else)
It wasn't me
