x2

stay before my eyes ,because you're my eyelight i can't get enough of you
my baby,oh angel,oh my satisfier ,i love you ,what does the life worth without you
my baby oh angel
my baby,oh angel,oh my satisfier ,i love you ,what does the life worth without you
my baby oh angel
i swear you're an angle

my heart was willing to tenderness before there was you,he hadn't ever tasted the taste of love
when you came,oh my life,i forgot the hard times ,oh god,you're love is the cure
