How many of you people out there
Been hurt in some kind of love affair?
And how many times did you swear
That you'd never love again?
How many lonely, sleepless nights?
How many lies, how many fights?
And why would you want to
Put yourself through all of that again?

How could it be that what you need the most
Can leave you feeling just like a ghost?
You never want to feel so sad and lost again

One day you could be looking
Through an old book in rainy weather
You see a picture of her smiling at you
When you were still together
Or you could be walking down the street
And who should you chance to meet
But that same old smile you've been thinking of all
day?

Why don't we turn the clock to zero, honey
I'll sell the stock, we'll spend all the money
We're starting up a brand new day
Turn the clock all the way back
I wonder if she'll take me back
I'm thinking in a brand new way

Turn the clock to zero, boss
The river's wide, we'll swim across
We're starting up a brand new day

It could happen to you,
Just like it happened to me,
There's simply no immunity
There's no guarantee.
I say love's such a force if you find yourself in it
You need some time for reflection
You say, baby wait a minute, wait a minute
Wait a minute, wait a minute

Wait a minute, wait a minute

Turn the clock to zero, honey
I'll sell the stock, we'll spend all the money
We're starting up a brand new day
Turn the clock to zero buddy
Don't wanna be no fuddy duddy
Started up a brand new day

I'm the rhythm in your tune
I'm the sun and you're the moon
I'm the bat and you're the cave
You're the beach and I'm the wave
I'm the plow and you're the land
You're the glove and I'm the hand
I'm the train and you're the station
I'm a flagpole to your nation

Stand up all you lovers in the world
Stand up and be counted every boy and every girl
Stand up all you lovers in the world - yeah
Starting up a brand new day

You're the crop to my rotation
You're the sum of my equation
I'm the answer to your question
If you follow my suggestion
We can turn this ship around
We'll go up instead of down
You're the pan and I'm the handle
You're the flame and I'm the candle

Stand up all you lovers in the world - yeah
We're starting up a brand new day
Turn the clock to zero, honey
I'll sell the stock, we'll spend all the money
We're starting up a brand new day
