I'll never be  
A knight in armor  
With a sword in hand  
Or a kamikaze fighter

Dont count on me  
To storm the barricades  
And take a stand  
Or hold my ground

You'll never see  
Any scars or wounds  
I don't walk on coals  
I won't walk on water

I am no prince  
I am no saint  
I am not anyone's wildest dream  
But I will stand behind  
And be someone to fall back on

Some comedy  
You're bruised and beaten down  
And I'm the one  
Who's looking for a favor

Still honestly  
You don't believe me  
But the things I have  
Are the things you need.

You look at me  
Like I don't make sense  
Like a waste of time  
Like it serves no purpose

I am no prince  
I am no saint  
And if that's what you believe you need

You're wrong

You don't need much  
You need someone to fall back on

So I'll be that  
I'll take your side  
If I'm the only one  
I'm used to that

I've been alone  
I'd rather be  
The half of us  
The least of you  
The best of me

And I will be

I'll be your prince,  
I'll be your saint  
I will go crashing through fences  
In your name

I will  
I swear  
I'll be someone to fall back on

I'll be the one who waits  
And for as long as you'll let me  
I will be the one you need  
I'll be someone to fall back on

Someone to fall back on

One to fall back on
