Give yourself up to me
I know what you're thinking
and it's plain to see,
that you've stopped believing

Cuz' I let you down
I meant well, but it changed somehow
kept your thoughts to yourself
and when I woke up
I wished I had as well

Cuz' I mistook this to be empty
now I find, seems like,
I've been misleading,
myself, this bridge
today, I can't win
my aim is off

You made me proud
and I'm a foolish,
selfish, cautious clown
for I've already spent,
all my efforts wasted on regrets

Cuz' I mistook this to be empty
now I find, seems like,
I've been misleading,
myself, this bridge

today, I can't win
my aim is off

Falling down
I should have felt this one out
but I've lived a life of doubt
never believing what I found, could pull me out
pull me out, pull me out

I just need to be found...

Give yourself up to me
I know what you're thinking

Cuz' I mistook this to be empty
now I find, seems like,
I've been misleading,
myself, this bridge
today, I can't win
my aim is..

Cuz' I mistook this to be empty
now I find, seems like,
I've been misleading,
myself, this bridge
today, I can't win
my aim is off...
cause I'm here and you're not
