Can't get much more than I'm finding
too many places I'm bound too close to the gouta
rest stops the time clock
it's winding its way
sound advice you're taking too close to your heart.
Fighting your way
four folds the blue box.
Can't fold out my friends for long
but that was charity
set in my ways
but that was chastity
goodbye my friends
but that was yesterday.
(that was...that was....that was...)
That was yesterday.
Too bad about yesterday.
I cried yesterday.
Can't get much more than I'm finding
too many places I'm bound too close to the qouta
rest stops the time clock
it's winding its way
sound advice you're taking too close to your heart.
Fighting your way
four folds the blue box
con't fold out my friends for long
but that was charity
set in my ways
but that was chastity
goodbye my friends
but that was yesterday.
(that was...that was...that was...)
That was yesterday.
That was yesterday.
Too bad about about yesterday.
I cried yesterday.
It's nice to see you downlow
it's good to be part of it.
It's nice to see you downlow
It's good to be part of it.
It's nice to see you downlow
it's good to be part of it.
It's nice to see you downlow

it's good to be part of it.
That was yesterday.
That was yesterday.
I cried yesterday.
That was yesterday.
(that was yesterday)
That was yesterday.
(that was yesterday)
