Driving down the streets, listening to the radio
What do I get? Ariana
Reading the papers and the news they scream
Haven't you heard? Ariana

She rules the business
She's such a restless genuine juvenile
Everyone knows, wherever she goes
She got chic, she got class, she got style

Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire
Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire

We're goin' nutz for Ariana
We're goin' crazy for her
Everything glows, wherever she goes
She got sex from her lips to her toes

All the Casanovas, even zombies agree
With the hummingbirds and the beasts from the sea
Ariana's a real sensation
When will she be on the
When will she be on the screen?

Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire
Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire

Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire
Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire

G O Ariana go, let's go
G O go, go Ariana
G O Ariana go, let's go
Let's go, let's go Ariana, Ariana

Ariana maniacs rule the world, haven't you heard?

Ariana mania sets the scenes on fire, fire
Ariana maniacs rule the world, haven't you heard?
Ariana mania sets the scenes on fire
Ariana maniacs
