We must have played
For more than ten years
We must have thought
That we're immortal
Shame, shame on us,
Ah little hussy,
What did you think I was

I look at us
We have grown older
A lot too much
For me to take
I thought
We were immortal
I'm so sorry
I couldn't keep my promise..

..to carry on your flag for you
Some superhero-being

It seems to me
That we are changing
There ain't no limit
To imagination
The world just turns around
Without a care
Sometimes I feel like crying

And every time
I need to touch you
How can I ever
Break the distance
That's why my love
Became so strong and pure
That's why I keep on
Trying forever..

..to carry on your flag for you
Some superhero-being
F o r y o u
Some superhero-being
Waiting

Under the light of the moon
F o r y o u..

I'm coming soon..
