(dancing on the roof of your mind)  
oh let me live  
in a non-stop crazyshow  
from dawn to dusk  
on the meadows of happiness  
and your billion dollar smile rises up the horizon  
in a golden glow  
just like the sun in some crazyshow  
crazy, crazy...  
and i'm dancing on the roof of your mind  
in a golden glow...  
go west, dreamcar, gas-mask, superstar  
war crime, sun sail, big time, blue whale  
greatest love on tv, telecom, reality  
drag queen, millionaires,  
truth machine and teddybears,  
boop-a-loola, genocides,  
coke & coola, northern lights  
red bobs, ocean liner, big knobs, sweet regina  
black hole, serialkiller,  
nat king cole and wishfulfiller  
oh let me live in a non-stop crazyshow  
oh let me live in a non-stop crazyshow...  
and your billion dollar smile rises up the horizon  
in a golden glow  
just like the sun in some crazyshow  
yes i can see you there (on the roof of your mind)  
yes i can see you there (on the roof of your mind)  
oh let me live  
in a non-stop crazyshow  
from dawn to dusk  
on the meadows of happiness  
and your billion dollar smile rises up the horizon  
in a golden glow  
just like the sun in some crazyshow...
