Diamonds are 4 ever, they are all I need to please me  
They can stimulate and tease me  
The wont leave in the night, Ive no fear that they might  
desert me...  
Diamonds are forever, hold one up and then caress it  
Touch it stroke it and undress it  
I can see every part, nothing hides in the heart  
To hurt me  
I dont need love, for what good will love do me?  
Diamonds never lie to me  
For when loves gone, they luster on  
they luster on...  
Diamonds are forever, sparkling round my little finger  
Unlike girls the diamonds linger  
Girls are mere mortals who are not worth going to your  
grave for  
I dont need love, for what good will love do me?  
Diamonds never lie to me  
For when loves gone, they luster on  
Diamonds are forever, forever, forever, forever  
And ever...
